

Massachusetts Music Educators' Association
Central District

REHEARSAL POLICIES & CONTRACT

School Code: _____

School Name: _____

Student Name: _____

1. Due to limited rehearsal time, it is essential that all students be on time for all rehearsals. Please be sure to arrive at least (15) minutes prior to the scheduled starting time so that students may warm up, tune, and be in their seats ready to start the rehearsal at the appointed time. Students must participate in all rehearsals for the full time to be eligible to perform in the concert. Any unexcused absence will result in dismissal from the Festival. Any student dismissed from the Festival will forfeit eligibility for the current year's All-State Festival, and the following year's Central District Festival.
2. Each school must have a designated chaperone in attendance at all times during rehearsals. That person must register the students at the desk upon arrival at each rehearsal and remain on site for the entire rehearsal period. School systems which do not have chaperones will forfeit their right to participate in the festival.
3. No student may, under any circumstances, drive a vehicle to any rehearsal, concert, or audition sponsored by MMEA and/or Central District. No student may be a passenger in a vehicle driven by another student to any rehearsal, concert, or audition sponsored by MMEA and/or the Central District. Any violation of this rule will result in automatic expulsion of the student from the festival. Any student in violation of this rule that has been recommended for All-State will have that recommendation revoked.
4. Any questions from parents, students, or private teachers concerning the rules should be directed to the school music director or person acting as a designated sponsor of the students to the festival. Only directors or designees should have contact with the concert committee members. Parents and students should not call the concert coordinator or any manager directly.
5. Cell phone use is strictly prohibited during rehearsals. Hats should not be worn during rehearsals and any conduct unbecoming may result in dismissal from the Festival. Such decisions will be made at the discretion of the CD-MMEA Board.
6. If a participating student requires and/or receives adult support to be successful in his/her school day, it is our expectation and the school's responsibility that this support is provided to the student at all festival rehearsals.
