*The numbers of players per part is dependent on the specific literature that is selected. The executive board oversees the selection of programs and every attempt is made to include more players when musically appropriate. Additional instruments, (i.e. Picc., Eng. Hn, Contr Bn, Eb Clar.), will be assigned as needed.

+ The Jazz bass trombone seat will go to the highest scoring bass trombonist auditioning. In the event, however, there is no bass trombonist auditioning or the quality of those who audition do not meet the level of All State standards as determined by the adjudicator, the student who scores the highest score below the 3rd chair player and also plays a trombone with an F-attachment will be selected to fill the bass trombone chair.

FYI - Harp & Piano will be auditioned and placed in an as needed basis.

GENERAL FESTIVAL MUSIC DELIVERY TIME-LINE

TWO WEEKS FOLLOWING THE FESTIVAL AUDITION DATE

- All score corrections reported to Festival Managers.
- Festival Committee finalizes all ensemble placements, and seating. Final information is sent to Bob Pereira working on behalf of David French Music Co. to organize and create all of the music folders.

THREE WEEKS FOLLOWING THE FESTIVAL AUDITION DATE

- Folders are given to David French Music Co. to begin to deliver music folders to schools during their normal French Music service visits.
- Schools not serviced by David French Music Co., will either be mailed their music or receive a visit as the French Music representative drives through your area.

FOUR WEEKS FOLLOWING THE FESTIVAL AUDITION DATE

- All music should be delivered, pending inclement weather, All-State Festival, school vacation, or other unscheduled interruption.

**** PLEASE NOTE** – This service is being provided to CD-MMEA by David French Music Co. and has proven to be both tremendously helpful and a significant cost savings to CD-MMEA, allowing us to keep student fees as low as possible. Though they work to get folders out in a timely fashion, snow days and other interruptions sometimes delay delivery. In the event of a delay in receiving your music, please first check with other people in your building to make sure it hasn't already arrived (the school's secretary and/or other music personnel in your building). If you are sure it has not been received, please contact the auditions coordinator at supmug@comcast.net. Please **DO NOT** contact David French Music Co. directly.

If you are lucky enough to be handed the music directly by a representative of David French Music Co., please thank them for their support of CD-MMEA!
